

Yes or No Card Game Instructions:

This game is an extension of learning about Living and Nonliving Things.

Cut out the following labels and cards. Lay the labels out and then show your child the cards in sets and ask your child a question from the list. Have them place the cards under the proper label.

1. Which of these can eat?
2. Which of these can this grow?
3. Which of these can breathe?
4. Which of these can move by itself?

Yes

No
