Safe Stranger/Not Safe Stranger Card Sort Game

Objective

Group cards under the category of Safe Stranger or Not Safe Stranger

Prep

Print and cut out the 2 labels and 18 stranger cards. Print on card stock and laminate for more durability.

Instructions

- Place the 2 labels on the floor, table, or wherever you're playing.
- Shuffle the cards and turn them face down in a pile.
- Have your child take one card at a time .
- Read who is on the card and explain a little. For example:
 - “ Is your grandfather you're meeting for the first time a safe stranger?”
 - “ We don't know this lady but she looks friendly and nice and she's trying to share candy with you.”
- Have them place it under the proper label heading.

Preschool-friendly definitions

Safe Strangers

- A safe stranger is someone your parents (or a trusted adult) know or introduce you too.
- Community helpers like doctors and firefighters are also safe strangers.

Not Safe Strangers

- People you and your parents(or a trusted adult) don't know - even if they look nice and friendly.

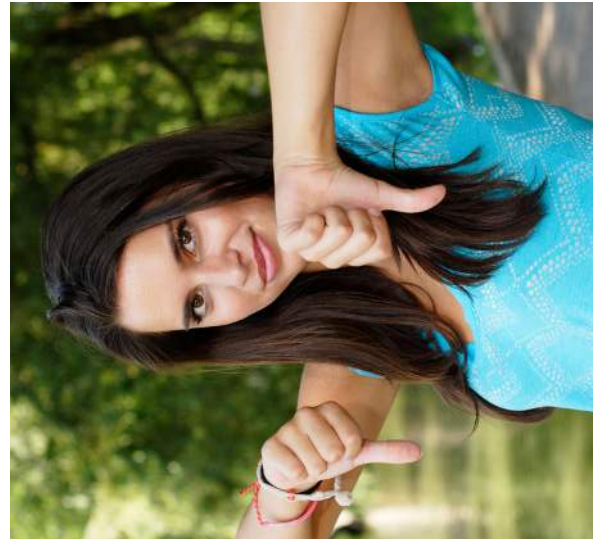

Trusted Adult

- Someone you know and your parents trust such as family members, your parent's friends or a Sunday School Teacher. So, if your Sunday School Teacher introduces you to a new teacher, that would be a safe stranger.
